NEW BUSINESS

Discussion	<p>Jenn: Adult league. Adults had so much fun playing in the benefit game. There's an interest in an adult league. Two concerns insurance for the players and cannot interfere with Rec schedule. Buck will run the idea by Herrington and Jenn will look into how other leagues run the Adult league and report back in January. May present this to the youth meeting in February.</p> <p>Patsy: Scholarship program. Put a field on the registration form and sponsorship form for anyone who wants to donate monies so that a child from a family without the means to pay can play. Anyone who asks for help put on the form that the League may ask for proof of hardship. Maybe offer a bigger discount for multi-child families.</p>

6:30 – 8:30PM

OPEN DISCUSSION

Discussion	Borrowing Players. Need to come up with a list of players that want to play up as a Sub. The list would be available because teams were borrowing players from other teams at the same level. If no one is available then a player from the same level can play.
	Chuck asked if we could pay someone to get the fields ready during the week. Much discussion about this and was chaired until August meeting. Plus you have to worry about taxes and insurance.rance.t
